Duct Tape; Multi-Tool; Emergency Power Station 4-Function - flashlight, AM/FM radio, siren, cell-phone charger; Deluxe Nylon Backpack

Emergency Power Station 4-Function

flashlight; AM/FM radio; siren; cell-phone charger

Employee Cost: \$20.00

Keep this 4-Function Emergency Power Station on hand for use in any emergency. It works as a flashlight, radio, siren, and cell-phone charger. No batteries needed. Crank handle 1 minute for: Up to 30 minutes of bright light, 2 minutes of cellular talk time, or 15 minutes of radio. The handle doubles as a stand. Includes (3) cell-phone adapters for most Motorola, Samsung, and Sony-Ericsson phones.

Multi-Function Pocket Tool

Employee Cost: \$10.00

Ready America's Multi-Function Pocket Tool with Pliers is the perfect all-in-one tool. This high-quality, stainless steel utility tool has ten different functions including screwdrivers, pliers, file, wire snip, bottle opener, and knife. The convenient pocketsize tool has state-of-the-art-design, features a strong grip, and is extremely durable. It comes in a stylish nylon carry sleeve and easily fits into any toolbox, glove compartment, or drawer. It can also be worn on your belt.

Flat Screen Safety Straps

Employee Cost: \$20.00

Developed to prevent modern LCD and plasma flat-screen televisions from toppling over. The easy peel-and-press application makes installation easy. Straps are hidden from view. Kit secures flat-screen televisions up to 60" and 100 lbs. and is designed to accommodate all makes and models.

Furniture Safety Straps

Employee Cost: \$ 8.00

This strong and versatile strap is easy to install. Simply peel and press one end of the strap to the furniture and screw the other end into the wall stud. Each kit contains two 18" nylon straps that will secure one large piece of furniture. Straps are hidden from view and won't damage wood. Available in either Oak or Antique Brown colors.

Gas Shut-Off Wrench

Employee Cost: \$ 4.00

Zinc-plated steel tool made in the USA. Comes with light-reflective tape for easy location at night, and a zip tie to accommodate hanging near gas meter. Fits 1/2" and 3/4" valves and is easy to use. To shut off gas, apply tool to valve and turn 1/4 of a turn. When ready to restore gas supply, contact the gas company or a qualified plumber.

Museum Putty

Employee Cost: \$ 3.00

Removable, reusable, and non-toxic QuakeHOLD! Putty secures antiques, collectibles, and more from falling and breaking. Pull off amount needed, roll it in your fingers until soft, and apply to base of object. Lightly press and twist object to surface. Remove by twisting and lifting from base. Comes off clean. Won't damage furniture.
